## Overview of INTRODUCTION TO WOODSHOP and the BUILDING TRADES (Grades 7-8/9)

**Tutor:** Mrs. Tammey Szymczyk  
(517) 202-4409  
[tammeys333@gmail.com](mailto:tammeys333@gmail.com)

**Textbooks:** None Required

**Supply Fee:** \$20.00/semester

**Course Description:** A hands-on class with lots of fun projects. Learn parts of the miter saw, drill, hammer, screw gun and much more. Wood burning, tin punching, painting and sanding techniques are taught. If you enjoy doing hands-on projects and working with different tools, this fun class is for you. Instructor will test the student on paper and verbally about materials they learned each week.

**Student Evaluation:** No homework will be assigned in this class. A letter grade will be given each semester based upon participation and attitude in class.

### Grading Scale

90-100%	=A
80-89%	=B
70-79%	=C
60-69%	=D
Less than 60%	=E
