Overview of MULTI-MEDIA ART (Grades 6-12)

Tutor: Mrs. Julie Moore
517-750-7052
moorebubblefootfarm@gmail.com

Textbook: No text required.

Lab Fee: \$15.00/semester

Class Description: Multi-Media Art is a hands-on textile art. We use clay, wire, woods, tiles, paper, cloth, and 3-D mediums. There is always something for everyone's interest.

A variety of projects will be completed utilizing the mediums listed above per the instructor's discretion.

Additional Notes: Students will be required to bring in simple items (ex: empty soda bottles, live leaves, etc.) for use on their personal projects.

Lab coats or smocks are helpful to keep clothes clean – but not necessary.

Before each topic to be covered, a class list will be distributed to each student.

Grades are awarded by completed projects. It is the student's responsibility to complete his/her project for each medium presented and taught.

Student Evaluation: Students will be given points for each assigned project. At the end of each semester, points will be totaled and a letter grade will be given based upon how many points the student has earned.

Points will be given based upon the following criteria:

- ◆ Grasp of concepts taught
- ◆ Improvement throughout the school year
- ◆ Effort and participation in class

Grading Scale

90-100%	=A
80-89%	=B
70-79%	=C
